

A restricted vehicle is defined as all vehicles, combination of vehicles or combinations of vehicles and load having a length of more than forty five feet (45'), all tandem axle trucks, and all vehicles with a gross vehicle weight rating or a gross combination weight rating more than eighteen thousand (18,000) pounds.

Restricted Vehicle Access

Any restricted vehicle shall use only those routes specified herein or additional temporary routes as shall be established by the chief of police.

Restricted vehicles are not permitted on Rambling Road.

Trucks with three axles or more are prohibited from traveling westbound (downhill) on Traverse Ridge Road between Suncrest Drive and Mike Weir Drive.

For more information please refer to Draper City Municipal Code Section 14-7-040
