COACH/TEAM ROSTER FORM

Teams with **4 or more pre-formed players** who wish to play together must register as a group and **provide a coach.** **Players must participate in the grade level they are enrolled in and cannot play on multiple teams or in multiple leagues**

Submit all required player registration forms **(10-15 depending on program/league)** with payment to the Parks and Recreation Office. Refer to the program page for the maximum roster size.

Each participant's registration form must be completed and signed by a parent/guardian. If the form is not attached, please ensure the player is appropriately marked on the roster.

Draper Recreation reserves the right to add players to a team to fill open positions, as needed.

A maximum of **2 Comp/Super League players** are permitted per team. This is a Recreation League.

Listing a player on this roster does not guarantee placement on your team. Players must be fully registered by the registration deadline to be considered for team placement.

The coach must have consent from the player and the player's parent/guardian to list the player on the roster.

All team rosters must be submitted at least 2 weeks prior to the registration deadline.
